2006 Illumination

The City of Franklin Battlefield Preservation Commission is seeking individuals and groups to volunteer with the preparation and clean-up of the 2010 Battle of Franklin Commemorative Illumination. The event will feature a stunning display of approximately 10,000 luminaries representing the casualties of the Battle of Franklin, period band music, hundreds of re-enactors, and remarks from noted historians.

The Illumination will take place at the Eastern Flank Battlefield Park, adjacent to Carnton Plantation, on **Saturday, November 20, 2010. The event is held in conjunction with the Battle of Franklin Trust's Blue and Gray Days celebration.**

Volunteers are responsible for the following:

- Arriving at 10AM to begin placing & lighting luminaries
- Packing up luminaries following the ceremony that afternoon

Assisting the Illumination is a wonderful opportunity to earn volunteer hours for school groups and other charitable or volunteer organizations!
